that the A. Antislavery Society is the working Society — This I know but I have had much to do to persuade men and women to aid me if once they know I am interested in the Society — In writing to this country permit me to beg you may mention the Contributions of the Dowager Lady Buxton the Honble Mrs Upshen Mrs Gurney Miss Agg Gurney and Miss Hustler Stacy — The Ladies of Bedford Square College — Mrs Reid Miss Storch & the many friends of the last named Ladies have Contributed handsomely — Miss Bonham Carter — Mr Agnew of Manchester who sent us the historical prints and Portraits of Men of influence & standing — and Mr Foley who sent the Casts of Mrs Chapman I think it wd encourage these good people to help us next year if they found that their Contributions had been appreciated —

Mrs Stowes book has been read with
an avidity that no other book ever
has been besides the Sacred Scriptures
I trust it will continue to do good
tho' to my mind she does not give
them due to the "Bulwarks of
Slavery" — those loathsome reptiles
Whom God "will spue out of his
mouth" — Neither do I like her
views of Liberia — What if Liberia
were the 5th Heaven! — What if it
has one Man to transport another
Can he — can any good come to the
Wretched Slave that has been Con-
verted by Slaveholders or yet more
More Culpable Abettors. —
I do wish Mrs Stowe God speed

yea and every creature who works for
the liberation of the oppressed — but
I sho be glad if some other star in
the Constellation of American Females
wd take up the pen and strike
at the root which I believe to be
the so called Church — I do not
promise her the success Mrs Stowe
has had because the zeal of
Ministers of Religion winking at
so monstrous an evil will not
meet wt Credence in this County.
I had the pleasure of meeting
Mrs Chapman and her daughter,
together wt yr sisters at Mr
Collins as well as at James
Grants of the Bronx Adventure
(whom I am proud to say I enlisted
in the cause he has so nobly carried
out in his daily papers)

Will you be pleased to remember
me to yr sister — and begging
you to receive my best thanks for
the Liberty Bell you were so kind
as to address to me

I am
My dear Miss Peaton

I beg to enclose a paper which
came around some portraits of small
dimensions (but evidently of value)
which in the haste of packing
was omitted.
